“ I am so sorry for the passing of your mom. We all went to school together since I lived down the road from you all. My Uncle Frank Lefler was always stopping by to visit you all.

“ I always loved running into your mom in the grocery and having a chat. She was the neighbor of my husband's cousin, Joan Ericson. She seemed so down-to-earth and yet with a dry sense of humor. I hope her last years were active. She seemed so able for a person of years.
