“ I have way too many memories to even list here. Being the oldest grandchild of Irvin and Arlene was a great gift. I miss my memmaw so much still and now my peppaw is gone too. I can't begin to grasp that we have lost you now as well, peppaw. I will never forget your sneeze, your laugh, you saying "I'll dance at your wedding!" if I did something for you or your love for croquet, kanasta, and rook (which I never could grasp the concept of any of the 3).. I will miss your hugs and kisses and your smell which was so comforting. I love you so much... Until we see each other again. I love you!

“ *Nina, Victor, Darrell, I am sorry to hear of your Dad's passing. He and my daddy had some good times years ago playing croquet. I remember Daddy talking about it. They sure enjoyed a good game!*

“ I am so sorry to hear about Irvin. I played croquet with him every Thursday during the spring and early fall for the past couple of years. He loved croquet. He had his own mallet and looked forward to playing every week. He was competitive, but good hearted. He would offer me pointers at times, and if I did something well he would say in an energetic voice "That's my partner!". He will really be missed.

*My thoughts and prayers are with the family.*
