“ My memories with Jackie go back to 7th Street in Murray. We were always so excited when the Gardners came to visit Aunt Lilly(to me). I was not that close with Jackie in later years but I can imagine how much she will be missed by all. Fondly Nancy Outland Westerveld

“ You were the strong and steady matriarch of the Gardner family. You were sweet, patient, caring and kind to all of us. We, in Clarksville IN, always loved it when you would show up on our doorstep just to be a part of whatever family event we were celebrating. You showed us what strength and faith were all about. You will always be an example to all of us, young and old. I love you so much. Sonia, your SISTER in law.
