“ I had the privilege to work with Larry at the Kentucky Department for Libraries and Archives from 1985 to 2008. After I retired, we would often get together for lunch. Larry was a dedicated professional and one of the best friends I ever had. Rest in peace.

“ Sad to read of his passing. Being from Taylorsville I know most families who make their home in Spencer County. I knew this family very well. It seems our older friends and family are going home. I'm so sorry you're losing one of your own. Asking our lord to comfort and provide the strength needed in the days ahead. God bless each of you.
