“ *I'm sad that I can't attend mikes celebration of life due to working but this man was amazing and inspiration for all the over stressed people..he always sat back and listening and was just present!! Regardless of the craziness thru the generations that lived to live him as I did. He always had your back..he would always listen and even back in his younger years whilst I was in my 20's 🧐♀ made me believe along with daryl Engler had my crown infused self (as well as themselves) that I was the absolutely BEST karaoke singer alive!!!! LMAO!*
