“ I just learned of Jane’s passing today and regret I have missed the chance to let the family know how much I loved dear Jane. Her smiling face in Room 300 of the Capitol greeted all who entered and her big heart made everyone feel welcome. The birthday cards and Christmas kept coming for years after I left the Capitol. Jane touched many lives and all for the better!! I loved her dearly! May she rest in peace!

“ Sad to hear of the passing of Jane Johnson. She was a great friend to our mom, Betty Balch, and even though all of us Balch kids now away from Frankfort, we treasure the great memories of Jane's visits with our family when we were all in town for family reunions. She was certainly one of our mom's closest and dearest friends and we are all saddened by her passing. Love and condolences go out to her family, from: Mary Balch Beshear, David (Crutch) Balch, Robbie Balch, Nancy Balch French.
