“ Aunt Jane. Where to start. You always knew me better than anyone else. I will miss you so much. I know in my heart you're in a better place and not suffering any pain. But now another piece of my heart is gone. I feel like my world is falling apart. But I know I will get on with life cause that is what you would want me to do. Please watch over the rest of us that is still here in this crazy world. I love you and already miss you allot. Love your niece Libby. ❤️
