“ Julie, Mike, Pam.

I am so sorry. God needed a good one and he took the best. I know things will never be the same for all of you. Keep the thought of one day her meeting you at the gates of Heaven with arms wide open as Jesus welcomes you home. Keep her memory alive with all the good times you shared together. I know she loved you all very much. Her kids. grandkids and great-grandkids were her life. Be there for each other. Count your blessing for having a mother like her. Many kids don't. I love you all and I will be down to see you all when things calm down and safe to travel again. You are in my prayers.

Aunt Jean,

I never got to say goodbye. It really isn't good-bye though is it! I will see you when my work here is done.

My heart is breaking but my head is full of many thoughts of where you are now and a big smile comes across as I know the pain that you have lived with for so long is gone, your body is new, and all the loved ones gone ahead are there to greet you home. I am going to miss you Aunt Jean and our phone calls. You were and always will be my favorite Aunt. When I lost momma 4 yrs ago. You were there for me on the other end of the phone. My visit to your house right after losing mom was the most peaceful feeling when I walked in and saw you. I knew standing there I was as close to momma as I was ever going to get until I see her in Heaven. I will never forget my summers spent with you Uncle George and the kids Taking us camping, fishing the fun we had. I thank God I was blessed with such a wonderful loving Aunt. I thank you for loving me being there at my lowest time, wondering how I was going to make it with out mom.

Love you and will forever be with me in my heart.
