“ Jean will be missed. She was a kind person, a caring person who was always ready to help anyone in need. I played bridge with her at the senior citizens and we will be certain she gets a plaque on the wall there as she did for everyone else. I will miss her. I know how she loved her family and I send my sincere heartfelt sympathy.

“ My earliest memory of Jean was chatting at the Rough River State Park Lodge as we watched the sun rise over the lake during one of the Senior Center park trips. It quickly became our tradition to try to watch the sun rise together on future park trips. Jean was such a kind and sweet person. I will forever remember her smiles and laughter, especially when playing Hand and Foot.

“ Jean was a lady in the finest sense of the word. She was loving, kind and thoughtful. She said her friends were going to start running from her because she was always collecting money for some good cause, but that was part of her goodness. When she saw a need she wanted to do something about it. In short, they don't come any better than Jean Marshall!
