“ I met the Barrett Family when I worked two summers with her. She and Jean Brown were Harry Lee Waterfields secretaries and I worked for him and Jom Fleming, Director of LRC. Jeannette and her family were always special to me even though I knew Charlie and Iris the best. I am so sorry to hear of this...she will be missed!

“ *The Hume Family (Pat, Bobby and David) sends thoughts and prayers to the Barrett Family. Jeanette was the BEST Baby Sitter we ever had. We loved her . I remember her love for Dogs and I am sure Wrinkles and Terry were the first Dogs to greet her in Heaven. We only lived in Frankfort for two years, but Jeanette was never forgotten by David and I.
With Deepest Sympathy,

My family met Jeannette at the Legislative Research Commission. She was very proud of her family and always had pictures of family members in her work area. She loved celebrating the seasons and the thanksgiving decorations and the large elves and snow people she put in front of her desk at Christmas time each year. These past few years she has struggled with her health and we know she is now relieved of the constant pain she struggled with for so many years. May God bless and comfort you as you mourn her loss.

I am deeply sorry to hear of Jeannette's passing. I knew Jeannette thru membership at IBC as well as when I worked there. I have yet to meet anyone more dedicated and loving to the children she came in contact with. I can't begin to imagine the countless hours she spent preparing and teaching for Sunday School and Vacation Bible School. In her world there was no "halfway" doing or teaching just to get by. It was always top notch. Two of my children had the pleasure of having her as their kindergarten aide. She dedicated herself to the same standards in that vocation as well. She loved her family and was so proud of her nieces and nephews. My thoughts and prayers are with all of her family and I know she was welcomed by her wonderful parents Iris and Charlie.
