“ *So Sorry to hear about Jerry. He was a really "one of a kind" individual like no other. He lived life his way. We lived and survived the 60's music scene together. We would run into each other occasionally He never changed!*

“ *So many years we were dear friends. I just found out of Jerry's passing. We go back a long way. He came to Branson to visit me several years ago. We had the opportunity to catch up on old times. My heart goes out to Jerry's family and friends.*

My thoughts and prayers to Jerry's family. His dad was a friend of my dad, and I remember Jerry from teen dances. When my brother went "on the road" with the band Jerry promised my mother he'd look out for my brother.
