“ I graduated from Monticello with Jerry after which our lives went in separate directions. When I look at his photograph, the years fall away, and he looks not so different than then. I distinctly remember he was easy going and friendly - no small thing in the long run of our lives. Bennie Gayle Patton, Berea, KY,

“ Dear Judy,
I am so very sorry to hear about the passing of your husband, Jerry. How heavy your heart must be right now. Praying that God will wrap his loving arms around you and hold you tightly and the rest of your family too, giving each of you comfort and peace. In the days ahead and at your darkest moments may his light shine through offering rest for your souls as Heaven has gained another Angel...while we have lost one. RIP Jerry. 🌟🙏🌟 always, Becky

“ Dear Judy & Family,
Hard to believe Jerry is gone. He was such a faithful friend to Paul thru his sickness and death. They shared a great friendship right up to the end and I'll always be grateful to Jerry. The picture is so good of him and just like he always greeted you, with that heart-warming smile.

All my love and prayers,
Kathy Brown

“ My heart is breaking. I see all the cars and was so fearful of something bad happening but I did not want to intrude. I love you all and Jerry has always been my hi guy from across our street. I will miss seeing him riding his mower.
