“ Jimmy was an old friend from Bridgeport days. His knowledge and understanding of cars made him very cool to me. Years later, many years, he lived down Aspen Drive from me. He and I would spend time talking about dogs, cars and old times at Bdpt. Even though he was suffering then, he was always friendly and we always enjoyed a good laugh. I visited a couple of times on the river but since I am now raising grandkids I lost touch. I will miss him. Bill Barrett
