“ JoAnn has been a wonderful neighbor to our family since 2003. When our son was born, she rang our doorbell and handed me a cute little outfit and layette set, and every year on his birthday until he turned 8, she would leave a present for him on our doorstep!

We live next door and I didn't even realize that JoAnn had passed, and am so sorry to see this in the paper!

When she let out her little dog in the back yard we would sometimes talk over the back fence. If we ever saw each other driving or backing out of our driveways, we would wave. I would put a Christmas card in her door and sometimes when we got her mail or she got ours we would say a word or two. But we haven't actually spoken other than to wave, for the last 2 years. Time goes by, work and family and every day goes into the next - before you know it, two or three years have passed without speaking to your neighbors!

I often saw several cars next door and knew JoAnn had devoted children who visited, so didn't pay any attention when we saw so many cars on the street a few days ago, I thought it was a family get-together. Unfortunately, often the only family reunions many of us have are due to funerals. I miss my good neighbor!

My sincere condolences to her family, God comfort you all in your loss. Remember you will be together again where there are no tears or pain. God bless JoAnn! She was a good, kind lady!
