“ *I remember the my yards better your yard faux contests. Adam always came over and helped me plant my flowers and John would feign anger and then we would laugh. We did a lot of laughing. That's what I will always remember. His laugh.*

“ Teresa, I'm so sorry for your loss. I worked with John years ago and thought the world of him. I even sang a rendition of Happy, Happy Birthday Baby to embarrass him one year! He was always kind and funny and I know he will be missed. You are in my prayers.

“ I got to know John & Teresa about 15 months ago when we all were visiting Hilton Head Island, SC. I had many wonderful conversations with John while enjoying the beach. That is how I will remember John...talking, laughing & enjoying life! My heart is breaking for Teresa & Adam...praying for the entire family. So sorry I'm not there to show support.

“ Hi my name is Rita Spiers, I didn't spend a lot of time with Johnny. When I was young my mom(Dottie) would take us to visit aunt Elizabeth. I remember his patience with bratty little kids..That would be the LeCompte BRATS. Prayers to the family and love from Utah.

“ I remember so many trips back home to see the family and Johnnie was always one of the people that I wanted to see. Being in a military family we didn't get to go back to KY that often, however, any time we went home I remember the trips to Aunt Liz' and the visits with the cousins. I am so sad to hear of his passing and know that we will never forget one of my favorite cousins. RIP Johnnie and say hi to mom and Aunt Elizabeth for us. See you soon.
