“ Johnny was such a great guy he brought laughter anyplace he went. There was hardly ever a karaoke night that he was not there! He was a great singer and an even better "boyfriend" he is loved by many and will be so terribly missed by me and everyone he knew and brought joy too. He will always be my boyfriend, best friend, Santa clause and karaoke partner. You may have left us for heaven but you will forever live in my heart! I love you johnny.
