“ *From the moment I met Judy I knew she was going to be a friend, and one of my favorite clients. She radiated joy and kindness, and had a delightfully snarky sense of humor that never failed to make me laugh. Judy and Walt not only welcomed me into their home, they made me feel like family. I will miss her laugh, our talks, and her wisdom more than I have words for; and my heart aches at the loss of such a remarkable woman and friend.
Many prayers for peace, comfort, and strength are going up for her loved ones. I am here for all of you, at any time.
Rest in Peace, Judy. You have earned your heavenly reward, and I don't doubt that the Angels are rejoicing to have you in their midst.*

It is with a heavy heart that I have lost a very dear friend that shared her payroll knowledge with me. Judy Bowen spent most of her working years with the Kentucky Department of Education, which is where I met her. We became great friends and work buddies. She will forever hold a special place in my heart. Prayers for Walter, Stephanie, Holly and their entire family,
