“ *Very sorry to hear of Kathy's passing. I know she was very devoted to animals and we can't have too many folks like that in our society. Sorry for your loss, Nancy.*

“ *So glad i got to know Kathy better in our golden years. what a time we had going to see Val and Maks Chermonosky on tour in Louisville. We laughed so hard after Gary called and said we had tickets to the VIP PreParty, then we got stuck in traffic on the Watterson and thought we'd miss it.*

but Kathy got us there in time. We only got one free pass so I told them i had Parkinson's and Kathy was my chauffeur, so they let her in . She laughed and said "I AM NOT YOUR CHAUFFEUR" BUT IT GOT US IN SO WHAT'S A LITTLE WHITE LIE. I ALSO OWE IT TO HER for getting me involved with chair volleyball, which in turn got my mother to go religiously, and caused us to form a better relationship and make great new friendships. Thank you, Kathy from your classmate Jo Ann Reynolds

“ When our son was younger, he use to help Kathy clean her house and windows. She also taught for us at the Frankfort Y many years ago. Always remember her smiling face. Praying for all the family.
