“ Words cannot express how much you will be missed and how sorry that we will not get the opportunity to see that beautiful smile of yours. You have always been more like family to us and especially to James. We only wish that you could have been with us longer but know that you and Scotty are together again. Love you our dear friend and someday we will meet again.  
Love to you Erika and your family and know that "Pappy" is smiling down on you and so proud of how you are taking care of things.
