“ From the Kentucky Colonels competitions on Friday nights and the kid's league on Saturday mornings, to many ABC National tournaments across the country, my fondest memories include "Dozer". Thanks to his calm, patient leadership, many of us in the Frankfort-Lexington area became, not only better bowlers, but better people for having known Leonard.

My thoughts and prayers to Margaret and the family. Never forget all the great times we had (except, maybe the "pool party" at the kid's tourney) 😊
