“ Linda will be missed. She was always willing to help or do something for someone. When my dad was in the hospital for 6 weeks she would always come and ask me if there is anything I can do let me know. She was a real comfort in trouble times. She was a real good friend of the family and to my mom (Doris Carpenter Johnson) like a sister. May God wrap his arms around Allen and the family during this time of sorrow, give them the strength they will need. Flossie Doss

“ Linda was a former co- worker of mine as well as a best friend to my grandmother and a close family friend. This news is still so shocking and unbelievable but I know she's walking the streets of gold offering a helping hand to anyone who may need it. She was a one of a kind lady that will be greatly missed by many. I pray that our almighty wraps his arms around Allen as well as everyone who is hurting and guide them through this time of great sorrow.
