“ Linda was a loyal loving and a mother like soul to anyone who knew her. She was so supportive to those who needed her guidance it was seen by her huge big heart she was filled with endless love, She was so dedicated to her pagan/spiritual teachings and wanted to share her metaphysical guidance to others from her shop, Moonstruck I know she is with Chester and other loved ones in the Land of Ancestors, but we will see her again one day. Her light and spirit is still felt by many. We all Love you Linda, You will so be missed!)0(

“ Time passes fast! I have many memories as I have been her friend since 1980. Our children played together and I was her maid of honor when she married Chester. Linda was caring, loving friend, mother and wife. She will be missed by family and friends.

We met Linda in 1999, and became friends with she and Chester. She was a remarkable lady, having recently opened her own business and initiated teaching her own spiritual tradition. Through the ensuing years, we saw how she was always there to offer her support and guidance for anyone who asked. She was very talented in her pursuits, and left a rich legacy. The world will be dimmer without her, but I have no doubt her spirit will continue to touch those who were a part of her life.

Such a beautiful kind soul. She was an amazing woman with a radiant smile that could warm your heart. I haven't seen her in years but she has never left my thoughts or prayers. The world just got a little darker with her passing. I'm so sorry for her friends and family, my heart goes out to you all.
