

Linda Young

January 13, 1941 - August 25, 2016

Started this life January 13, 1941 and blessed us, making her family and friends a part of her amazing dream...I know I made it a nightmare for her sometimes but she never withdrew her love from me....that, was unconditional love...that doesn't mean she didn't judge, trip, stumble in this dream we're all human...But today she is freed of our dream...her healing is complete in this life... energy only changes...transforms...may she exactly ALWAYS be...

On August 25, 2016 at 11:30 pm

She transformed herself yet again...life is energy moving matter... only matter returns to dust... energy never dies... only changes...

She played her role well...

I give her a standing ovation!

A Battle Creek native, she currently resided in Frankfort. She was a cosmologist.

Survivors include her daughters, Carrie Young, Berea, Wendy Mondragon (Miguel), Frankfort; grandchildren, Brianna Jackson, Isaiah Johnson, Israel Johnson; great grandchildren, Ajayla Jackson, Eric Jackson III, Amaria

Jackson; siblings, Gail Gary, and Christine Kidney.

She is preceded in death by her parents, Richard and Edith Benoit Kelly, and a brother, Joseph Kelly; a sister, Andrea Booth.

God bless you Mommy, I love you always and forever..."until the 12th of never" as she would say.

“ I love my granny so much !! She made such a huge impact in my life, I wouldn't be the creative, outgoing, animal loving person I am today, if it wasn't for her teaching and sharing her great wisdom with me her passions what made her life feel fulfilled. Life is about learning and sometimes learning through other people's experiences. She showed me paths by sharing herself with me. I am truly blessed to have found the true beauty of nature. I have been more aware of this earth in all its perfection, through granny teaching me of the true beauty's hidden among us in nature and animals.

She was such a wise women, strong willed, smart, so loving and such a passionate person.

Linda Young (Granny) I Love you!! I miss you !!
I hope all is well and that you may Rest in Peace
until next time
