“ Every time I seen Lisa she would tease me. she loved teasing friends. Last time I seen her was at Teresa, it might have been one of her girls birthday party is when I see her. She was flirting, she was just having fun. I found that she loved teasing, joking, and laughing. She was always the same, did not matter if you had not seen her a year or two year, she would make you feel like we had seen her the day before. I know she will be missed....My Prayers and thought are with everyone....I hated that I was sick and could not go.....it really bothered me but we do not always have control of what we can do. Shirley , thinking of you, my sister in law and family. Also for others that she touched in her life. I know her husband loved her with all of his heart. He tried to do all he could do for her.....he was always there for her.....

You will never be forgotten and hold a special place in my heart. Marlana and I were talking about the good memories of you. When I'm by the pool laying out I will be thinking of you because you always wanted to make sure you was tan. Love you rich day!

“ Lisa "rich day" as you would always say. I miss you so much but Lisa just know how many great memories you brought to my life along with my family you were my moms best friend and practically my second mom. You always knew how to make everyone laugh and ill miss you spoiling me and scratching my legs and arms you always said you were so proud of me and Heather and trust me we will continue to make you proud. We will meet again someday Lisa just not right now. But I will never forget you I love you so much and I know you'll be watching me and always be an angel over me. You will be missed beyond then I can speak, I love you Lisa may you rest in peace. Love you and you'll still always be my second mom.

“ I am still in shock from the news of your passing. I have shared so many of our stories with my kids about you me and Teresa. All night talks, to putting up Christmas trees to painting your kitchen cabinets. I cant begin to count the number of three way calls we shared and the countless memories over the years. I know I have been gone a while, but you will be greatly missed by all that knew you. Love you my friend! Until we meet again,

*Danny,*

*You are in my thoughts and prayers during this difficult time. May God watch over you and keep you safe!*

*In Christ,*
