“ I worked with Lorraine in KSP Payroll for ten years. One of the finest ladies I have ever worked with. She was honest and patient with everyone and a joy to work with. I haven't seen or heard from her in a while. I was very sorry to hear of her passing. I found out the day after her service. Love and prayers to her family. Debbie Russell

“ I worked with Lorraine in KSP Personnel. She was one of the finest people I knew there. Even though it's been many years I remember how often she spoke of her family. Saying a prayer for them.

“ Lorraine was a dear sweet friend who rode to work with me many years ago. I valued her very much and I think she did me. If it snowed she would say “if you'll drive now I'll drive in the spring”. I loved her. She was so very dear.
