“*Lou, you have always been there for me as a friend and confidant and I cherish all the good times we had together with you and Russ. Especially cherished are the chili luncheons you would host this time of the year, cold November days just like today. Your delicious chili and pimento cheese sandwiches followed by your pie and cookies all homemade were some of my fondest memories I keep close to my heart to this day. How we would laugh sitting around your dining table with the fireplace crackling while chatting with other KTRS employees. It was an honor to work with you and a greater honor to have you as a dear friend, Lou, Your family has my deepest condolences and may you rest in eternal peace, Steve Judy*

“*We will always remember the times at Immanuel with both Lou and Russ. Appreciated Lou's quiet service to our Lord. She and Russ both were always willing to give of themselves. Sorry we will not be able to be at the funeral home but will remember the family in our thoughts and prayers.*
