“ Happy Father's Day Honey !!! Can't believe you been gone 6 years now , Remi will be 7 this year ! I am finally sober again , took me 6 years to get here but here I am standing strong, losing you brought out the worst in me but I have accepted you are not coming home but I know you'd want me to move on and be happy . No more grieving baby, life goes on . I caught some charges and I've learned my lesson that lifestyle is dangerous even though that's what we were good at its time for me to do what's right and raise our baby girl. I can't keep living in the past I have move on and do what's right. I hope Papaw and Dad are up there keeping you company God only knows how bad I miss you 3 ! Keep watching over me and Remi WE LOVE YOU SO MUCH ! REST EASY BABY , I'LL BE HOME SOON ! xoxo

“ *Sorry for the loss of your loved one. I have found this scripture to be
most comforting. I hope this will bring comfort to you as it has to me.
Isaiah 25:8- He will swallow up death forever.*
