“ My best friend for 45 years. She and Melvin were the first ones to greet us the first time we attended Peaks Mill Christian Church and we have been friends ever since. We haven't always been together in the same location but we have always been together in our hearts. We could be apart for a long time and take up right where we left off when we got back together. I already miss her and will for sure miss our trips to Hobby Lobby. And she always managed to get Melvin to pay for our lunches while we were out "shopping." Our favorite place was IHOP. I know she was so ready to go home and I would never want to wish her back. She is pain free and I'm sure she has met Jesus face to face. I love you Belle and look forward to the time when I can see you again. Prayers for peace and comfort for Melvin and the rest of your family.

And if I could ask you a question just now, it would be, do they wear black in Heaven?

Love ya, Linda

“ *I didn't know Mrs.mason very long, but I knew of her son. But Mrs. Mason was always quick to put a smile on my face when I would come into work to see her. She was the sweetest lady I have ever met and I am truly blessed to have been able to take care of her at GLC. Rest in peace always.*
