“ I have always been grateful to Malcolm for not murdering his son and me for all our mischief and troubles we caused LOL. Despite, he even married my wife and me! As I'm sure many others feel, I owe, in part, my Christian faith to Malcolm and the church he lead for many years. His ministry has impacted many generations to come. He fought the good fight and kept the faith.

“ Wife Carolyn & I became good friends of Malcolm's at Morning Pointe. We often ate meals together at his table. We enjoyed his stories & his leading singing for the group. When Carolyn's sister Peggy Davenport became a resident here, she played piano as he led singing. After his last fall here, we have missed him. .. Albert Lee & Carolyn Wilson, Carolyn Davenport.

“ *There are not enough words to express what Malcolm and his family have meant to us. Malcolm and Martha were close friends of my mom and dad and we grew up with all the Lunceford kids. He married Cheryl and I and baptized our kids. He will always be our spiritual mentor and leader. So sorry we are out of town and will not be able to attend the services. Prayers for Mona, Gordon and the family. Steve and Cheryl Dooley*
