“ *I hadn't known Mary for many years, but she has always been a good neighbor and very kind to me and my pooch, Angel. She even let Angel visit her in these last days on her own. I am going to miss her presence very much. May she rest with God in peace.*

“ *When I was small my cousin Becky and I would help bring in the crops with our dads at grandpa Garland's farm in Frankfort. After all back breaking work and a horrible Sunburn we all would come into the kitchen and the ladies had been cooking all day just for us. Beckys Aunt Mary was a WONDERFUL cook, everything was just so Delicious! It was worth all the work. Especially to a little kid like me. From Kathy Powell Priddy*
