“ *I have had the pleasure and honor of knowing Mary for about 65 years. She was one of the sweetest and kindest people that I have ever known. She always reminded me of how I rearranged Mr. Jamison's garden one day when he was picking on me. She loved to tell the story every time I saw her. The World would be a better place if we had more Mary's. In it. She was a fine lady and will be missed by everyone who knew her.*

May God Bless the family during this time of sorrow.
