“ I just learned of Mary’s passing. I have known Mary and her husband Buan almost 50 years. Buan and I work together at the federal Highway administration. I have been to their wonderful farm many times. I always enjoyed visiting with Mary. She was so friendly and outgoing. I know she will be missed by her family. Love to all,
Terry CHISM.

“ We are so sorry to hear of Mary's passing. Teresa & I have known Mary for a long time, as we are neighbors and through our membership at Graefenburg Baptist Church. She was such a sweet lady and fine christian. I was privileged to be able to hunt on her property for several years. Our deepest condolences to Buan, Brooke, Bethany and family. “ Mary was my Aunt, Married to my Dad's Brother Buan. I have fond memories of how much fun I had when I was a child visiting her home and what a great cook she was. My mother (Delores Smith) and her were like two teenagers when they were together. They laughed, joked and acted silly. I look forward to seeing her again in God's Kingdom.

Mary and my mom were friends for many years. I think we met them first at East Frankfort in the seventies. But as time passed they lost contact for a while and then in the 2000s mom and Mary became friends again. And they would talk on Thursdays while I was at work. Mom called Mary her get about friend because Mary was always on the go, but on Thursday she found time to keep mom company while I was working long shifts. I just wish I had stayed in contact with me after mom died in 2010. But I really appreciate all that she did for my mom and those long conversations on Thursdays. Mary would definitely be missed he was a wonderful wonderful lady

“ My husband John and I loved Mary so very much. She always brightened up any room she entered with that beautiful smile she always wore. I know you, her family and all who loved her will miss her terribly. We will keep all of you in our prayers and in our hearts.

Mary and I were buddies. We worked in the same state building but different state jobs. We met for lunch on occasion. We had fun on church trips. I took her husband to jury duty to save Mary some time. She was in my Sunday School class and would govern our white elephant sale. It was so much fun. I called her to chat at her home. She told me how much fun she was having playing cards with her family. I loved her smile and friendship.

Much prayers for your grieving journey. It's tuff.

*Love to all!
