“ I remember when we first met Melissa, Marcie and I, we were all
just little girls and my mom had just married her dad....it was
awkward, to say the least least. We'd all play together and do what
girls do. Later on, I only saw her and her family on holidays and
such. I know she was a devoted mother. She wanted to be at home
with her kids. She wanted to make sure they had a good and loving
home. We talked on Facebook here and there and I will miss her. I
pray her family and especially her children find peace and comfort
moving forward. I love you Melissa
