Tribute Wall

“ My heart goes out to the Ward family during this tragic time. We've been neighbors for more than 20 years and I remember when the twins were born. I cannot imagine the grief you all are feeling, or the amount of pain in your hearts. Misty was always a sweet kid and was a beautiful young woman. My thoughts and prayers are with you all.

I gave birth to you but you came with no instructions. All I know was that I loved you long before I saw you. I know I made some mistakes and for that I am sorry, but I was doing the best I could with what I knew, everything I did for you, I did from love. You are my child, my life, my dreams for tomorrow. I will always LOVE you and there is nothing that could ever

“ *How do you wrap your mind around the tragic death of a 17 year old girl that has been in the life of your family for 5+ years? She was a bright and beautiful girl, always kind and pleasant to be around, which is uncommon these days among girls her age. She was of a very rare TRUE natural beauty, yet not any vanity about it. She was so full of fun and adventure, ready to help and try new things. She was a horsewoman, a hunter, a marksman or should I say markswoman. She was hard working and dedicated to her family and friends. She adored her sweetheart, my nephew and was his best friend. She called me "Aunt Diane" and my husband "Uncle Rocky". ALWAYS respectful which is ANOTHER rare characteristic among people her age. Truly, to know her is to love her. I guess God saw how VERY SPECIAL she was and needed a new angel, so he took from us the most perfect specimen he could find. That is the ONLY way I can look at this. Dearest Misty, we know you are in Heaven making God and all the Angels joyous to be with such rare beauty and kindness. You are already sorely missed. We are jealous that Heaven is enjoying what we have lost. BUT we will see you again, by and by.*
