April 27, 1962 - September 8, 2022

Services for Nelson Scott Henderson, 60, of Frankfort will be held at Noon Monday, September 12, 2022, at LeCompte Johnson Taylor Funeral Home. Dr. John Opsata will officiate. Visitation will begin at 10:00a.m. until time of service. He passed away Thursday at the Frankfort Regional Medical Center.

Nelson was born April 27, 1962, in Frankfort. He was the son of the late James and Linda Henderson. He worked in the HVAC industry his entire life. He was an avid golfer, loved singing in the First Christian Church Choir and other singing groups, and telling jokes. It is hard to do justice to Nelson and his larger than life personality.

Nelson is survived by his wife of 37 years, Carole Henderson; son, Andrew "AJ" Henderson; daughter, Lauren Henderson; and sister Regina (David) Polly.

In lieu of flowers, the family would appreciate donations made to First Christian Church, 316 Ann St, Frankfort, KY 40601 and/or UK Gill Heart & Vascular Institute, 800 Rose Street, Suite G100, Lexington, KY 40536.

“ Scooter was his nickname cause he scooted our ottoman everywhere. He wanted to be a garbage man as a child. He had an imaginary friend for awhile named Roy. They talked together a lot. He taught me to drive a stickshift..boy that was a real test of love ! He had crooked hair where I cut it for him when he sat on front row at church. I can go on and on. I changed his diapers. I love you little brother. You are my Hero! Your Big Sister

“ The heavens gained a very special angel, with a heart of gold, and a voice to match! His wit and humor were so uplifting, and surely he will be forever missed. My heart goes out to Carole and AJ ~ may the love that surrounds you today comfort you in your grief.

“ I feel like I have known Nelson since his birth due to my relationship with his father. We worked together for an association of plumbing, heating & cooling contractors and companies associated with those trades for several years. He was a joy to work with and trusted to fulfill obligations involved in that work. It was a sad day for our association and ,especially, for me when he left to become Director of the Division of HVAC within the HBC department. What a highly talented, wise, hardworking and loving Christian man. Nelson Henderson was? I loved him, dearly, Hank Hancock

“ I met Nelson at a difficult time, but over the last 19 months after, I got to see what an amazing human and gentle soul he was. He was beautiful, inside and out. He was a gentleman. I could talk all day about how soft spoken, gracious and appreciative he was, even in the face of challenging health issues. He touched my life in many ways and he will always hold a special place in my personal and professional journey. He will be missed. May his beautiful soul Rest In Peace.

“ Nelson was a wonderful man with a big smile and quick wit that made him so much fun to be around. Robert remembers with fondness the times he was able to hit the golf course with Nelson & my brothers on some of our visits. He loved his family and the void he leaves is beyond measure. Our love & prayers to you all.
