“ *Whenever, I was around Nick he was always a very pleasant young man! I enjoyed watching him grow up! I know everyone was very proud of him! I would spend time with him when visiting my grandsons Christopher and Garryn. I was very sad to learn of his passing and I will be keeping all of the family and friends in my thoughts and prayers! Love and hugs to all! Phyllis (Grandmother) Wood*

“ I dont even know where to begin, Me and Nick has been friends for a long time, he was one of my best friends that I will truly miss. We had alot of good times four wheeling, bonfires, just hanging out. Him and His wife Kendell will always be good friends of mine, and This has hit home for me. When Nick started his own lawn business, I also became a customer of his and he did a awesome job he always was welling to help with anything I needed around my house. Now every time I go outside at home I can see Nick mowing, weed eating or cleaning up the yard. I will truly miss him and our friendship he was a great friend. My thoughts and Prayers are with his sweet wife Kendell, the family and to many friends that Nick had. This is hard for me but I cannot imagine what the family and his wife is going through. I love you guys.

“ Nick and Kendall have been the best neighbors to my daughter Alyssa and son in law Darik that anyone could wish for. Always so helpful when they needed help. He will truly be missed by everyone that knew him. What a wonderful young man from a good family. I grew up with his Aunt and Uncle, what a small world it is. Prayers to his wife and all of his family. May God hold you all tight in the coming days.
