“ Hi, my name is Libby Andersen and I work for FPB Cable 10. Norma was like a second mom to me. We became friends when we worked on the Women's Club sponsoring exercise videos. I loved her so much. Norma would always make me laugh. If I was having a bad day and she called, she would say "there's that voice I wanted to hear" then she would say what's wrong, I can hear it in your voice that something is not good. She never said bye to me without tell me she loved me. I loved how she would not take no for an answer and her love for the lord. Norma prayed for me lots of times over the phone. This world has lost a wonderful and caring person. I will keep each one of you in my prayers.
