“ Please accept my sincere condolences for the loss of your dear, loved one. Death is hard to deal with. Even Jesus gave way to tears when Lazarus died (John 11:35). But our Heavenly Father views death as an enemy and promises to put an end to it (1 Cor 15:26). We can look forward to being reunited with our loved ones again. I am very saddened to hear of Nyoka's death. We worked together for several years at the Floyd County Extension Office/University of KY. She was such a special person and was a very close friend. I will certainly miss her.
