“ *Anne, Damon, Greta and family, Jeff and I send our heart felt condolences to you for your loss. She was a sweet lady and we know you will miss her.*

I remember in particular the first years of their marriage. They lived in an apartment at college and I stayed with them for about a week. I guess I was an early teen and thought it was so cool to be married and live in a cute apartment.

They always seemed to have it all together. I will always miss them both. Love you all!

“ Patricia was a wonderful woman and a wonderful musician. Bridgeport Christian Church was blessed for so many years by her beautiful organ music. On the humorous side, she did not like playing sharps so she simply transposed everything to flats and did it with grace! She did it her way!
