“ Paul was one of the nicest, most friendly and thoughtful guy I met since moving to Frankfort in 1977. I met Judy first at Evergreen Baptist daycare, then Paul when I coached his son Brian in middle school. He very attentively attended our practices & games. He never failed to bring candy for me during the Christmas season. When I told him I had to share mine, he doubled the candy so I could share. If we missed each other during the season, he would leave the candy on my door handle or in the mailbox! I never saw him without his warm, welcoming smile. What a man! He will be missed.

“ Paul was one of the last true gentleman. Never saw him without a smile on his face. Will miss seeing him drive by our homes on the way to visit friends. He always stopped to say hello. Prayers for the boys and their families.

“ *I supervised Paul in Dept Of Revenue for many years. He was my go to person always getting An assignment done properly efficently and correctly. I loved working with him. Loved Paul and Judy more than I can say. I could go on and on to speak of the special personal things they did for me. He talked to me so much about his family. A great man has left our midst but memories live on. Love you Paul.*

I worked with Paul in Contact Branch in Revenue in 2012 and 2013. He was so kind and patient as he was training me. He made you feel comfortable and at ease. When he spoke of his family, you could see the happiness and love in his eyes, and hear it in his words. He was a wonderful man. Praying for Christ to bless Paul's family with His peace and comfort.

Paul and I grew up together on Fifth Avenue in Thorn Hill, spending many great days with him. I still maintained a friendship with him after he and his parents had moved. One memory was helping him repair the fence at the family grave yard. We went to Thorn Hill Baptist Church where we were in Sunday School Classes for a number of years; also singing in the choir for several years. I was Paul's Best Man during his wedding with Judy. Unfortunately, college, serving in the Army and later working as a Department of Army Civilian Employee in various states separated us for many years. I was fortunate to reconnect with Paul during FCHS Class of 1961 Annual Class Reunions. Paul was a true gentleman and friend whom I was blessed to share some part of his life with.
