“ Still hard to imagine she is departed from this life, but she's now whole and in no more pain or suffering. I will miss my cousin. But we all have great memories to cherish and recall in our hearts and mind. Love and hugs to you all - Melissa (Owen) Box

“ I met Adele when she came to work for me during the 97 flood. She kept records for me. She was a fantastic records keeper. She organized my files, tabbed every important document. If I needed something Adele knew right where to find it.

We became friends immediately. Adele was one of those friends who would help you bury the bodies. A truer friend no one could ask for. She took me and my daughter in during a particularly nasty divorce and gave us a place to stay and the support we needed to carry on for which I will be eternally thankful.

In later years because of her health issues and my own I wasn't able to keep in touch with Adele. But she was never far from my mind or my heart. I thought of her every night during my prayers. Adele and I may not have been able to communicate but I still considered her my best friend. She will always be the best friend of my life. I love her so much.

Sleep well my friend.
