“ So many of my high school memories include Peggy--a real friend. We had such a good time together! I remember when you moved to Cadiz, my mother told me about my cousin, and that was Peggy. My prayers are with the family.##imported-begin##EdnaLindholm##imported-end##

“ Growing up Peggy's home was my 2nd home. Sarah and I spent nearly every weekend together growing up.

Allison and Sarah,

I was so sad to hear about your loss. Unfortunately I cannot get away to come to the visitation or funeral. Please know you

“ Peggy was a person who learn to live life in a large way. Sadly, her body could not keep up with her amazing heart, mind, or spirit. We friends and cousins have been blessed by the intersections of our lives with hers.
