

Ralph Eugene Sackett

October 27, 1937 - August 18, 2021

Ralph Eugene Sackett passed away Wednesday, August 18, 2021 surrounded by his family and much love. Ralph was born in St. Louis, Missouri to a humble loving home. Tilda Mae and Sam raised him and his brothers, Don (deceased) and Joe in Collinsville, Illinois to be honest and hard working. In high school, he excelled in baseball and was drafted by the Baltimore Orioles. His coach encouraged him to visit Illinois Wesleyan University to see if that might be a better fit. After one visit, benefactor Dale McMackin helped him to receive a full scholarship, a meal work exchange and housing, making him the first in his family to attend and graduate college.

In his freshman year, Ralph met the love of his life, Alicia Ann Westwood. After playfully stealing her freshman beanie cap, they dated and wed their senior year and were happily married for 61 years. Ralph played third base for the Titans throughout college and began coaching the Bloomington Bobcats, an all star college team while earning his Masters in mathematics at Illinois State University. He went on to teach and coach numerous sports at Reddick and Octavia High Schools, Washington University, and Granite City High School before finishing up his coaching career at Bloomington High School. His baseball, cross country and basketball teams all excelled under his direction. In 1975, he began a new career in banking with Bloomington Federal Savings & Loan which took him and his family to Champaign, Illinois. He added real estate development to his resume completing the Robeson

Crossing development in southwest Champaign at the end of his working career.

In his free time, Ralph enjoyed golf, fishing and cheering on his St. Louis Cardinals. In retirement, he and Alicia loved spending time with family and relaxing in Naples, Florida and at their cabin in the woods on Lake Napowan, Wisconsin. He was an avid fisherman and took great pleasure in fish fries around the fire with those he loved. (His fish were a favorite for even the non-fish eaters!)

Ralph is survived by his dear Alicia, four loving children; Robb (Mary Beth), Jill Burton (Gregory), Todd (Kandi), and Matt (Jennifer), 11 adoring grandchildren and two great grandchildren. Also known for his big bear hugs and his beautiful smile, "Papa" will be greatly missed by those who knew him.

A Celebration of Life will be held at a later date. Memorial donations may be made to:

“ Sackett family, I am sorry for your loss. But I will say it was my benefit and honor to know and work with Ralph. He gave me a great opportunity when I came back to Champaign and it is an experience that has helped my construction career ever since.
To all of you I send a great big hug.

“ Alicia and Family:
We've lost a true friend. One I've come to admire and who's company and friendship I always looked forward to and appreciated. Ralph was a man of honor, the likes of which few can claim. He made our time together "special". May he rest in peace and may the good Lord bless you all.

“ Alicia and Family, We are so sorry to hear about Ralph's death. What a wonderful life he had as detailed in his beautiful obituary. We will never forget how you welcomed us to The Ridge and how Ralph introduced Doug to the Tuesday/Friday Golf Game and the cast of characters that played. The Annual Fish Frys at the end of the season will always be remembered. We are both better off for having Ralph as a friend and send our heartfelt thoughts and prayers to the entire family.

“ Sackett Family,

I am so sorry for your loss. I have so many wonderful memories of life on Garfield Dr. It some ways seems like yesterday. The memories evolved to High School Basketball and the "Sackett" defense. It helped us get to the state tournament! Then went on to play the "Sackett" defense at IWU. The legacy lives on! Many, many fond memories. Thoughts and prayers with the family.

“ Alicia and Family - Joan and I are very saddened at the news of Ralph’s passing. He was a great friend and a caring soul to all. He always spoke so proudly of his loving family and the many athletes he nurtured over the years. Ralph exemplified the true meaning of the well earned title of “coach.”

I have been honored to share the Sigma Chi brotherhood with Ralph. We were instant friends from the moment we shook hands. It was my pleasure to share his love of a fine bourbon and a story well told. He will be missed.

Our prayers of comfort to you and your family

“ Alicia and the entire family please accept my sincere condolences on the loss of coach. May the memories of many years with his presence be long lasting for the family.

I had the chance a couple of years ago on a Sunday afternoon to speak with coach over the phone. It had been many years since speaking to him. I hope I conveyed how much he made a difference in my life by being part of the BHS Basketball team. Often, what we learn comes with reflection and that was the case for me. Who knows what or where I would have ended up doing if not for the discipline and guidance I received from coach Sackett.

Prayers to all the family.

“ Alicia, It was with sadness I read Ralph's obituary this morning. He was a favorite teacher of mine at Octavia. He was special and you always felt like he cared about you and whatever your need was. Good memories. I pray God's peace and loving presence will be a comfort to you and your family at this time and in the coming days.

“ To Alicia and all of the family, I am so sad for your loss. You ell are in our prayers. As a pledge and 1959 initiate into Sigma Chi at IWU I always looked up to Ralph. He treated us young guys with respect and dignity while showing himself as the leader of the pack.

Alicia, you were the greatest Sweetheart of Sigma Chi! Do you remember getting a telegram from Sigma Chi brother John Wayne? That was my hairbrained idea. I don't know how I got through to his secretary in Hollywood, but I did. When I told her we were having our Sweetheart dance her reply was, "Oh did you want John to come, he's in Mexico filming Rio Bravo?" I just asked her for a note addressed to you and she promised me it would happen. Several days before the dance I received a telegram from Mexico. It was addressed to you and we were able to present it to you that night along with your bouquet of traditional EX white roses.

I'm sure you have had a wonderful life with Ralph and have so many memories to sustain you in the coming years. To Ralph, as Sigs say, "ALL HONOR TO HIS NAME" !

Ron Zehr class of 1962

PS: if you have a Sig house or alumni chapter anywhere near your memorial service location, the ultimate Sigma Chi honor for Ralph would be to have them add a White Rose Ceremony - it is very meaningful and touching, and they would be honored to do it.

I only heard this week about the death of Ralph and of Todd. We lose touch when we move about but I still have fond memories of times shared when my son was at the Univ of IL with Robb. Later, Todd and our daughter were classmates there. And, Alicia, being a Sig Mom with you going through our initiation blindfolded parade is an everlasting memory. With sincere sympathy for your great losses, Alicia, Robb and all the family.
