“ I have never met Randy, just read he was on the board of New Life Radio broadcasting from Russia (read on their website). I am originally from the Republic of Moldova and listen to this radio station almost every day for the last several years. This radio is listened by Russian speakers in so many countries, you would be surprised, from persecuted today Central Asia, all countries of former Soviet Union, to people from Moldova, Ukraine.. searching for work all over Europe, immigrants in the US, Canada... Only God knows how many lives it touched.

Because Moldova is the poorest country in Europe we work all over the world (I have family and friends in 22 countries). I currently live in Alabama and looks one of Randy's children lives in Alabama. Stephanie would never think that somebody driving by is listening to a Russian Christian radio station which her father served...

I was born in the Soviet Union and raised as an atheist. Because of the people like Randy I have learned about Christ and that is the best thing I have. I had no chance to thank Randy but plan to do so when I meet him with Christ. He ran his race and it is our turn to run and he is a good example for us. Спасибо. Mulțumesc. Дякую...
Big thanks from the many listeners of New Life Radio.

Thank you so much for taking the time to write this tribute. My father was relentless in his pursuit of building the kingdom of God. What a beautiful testimony of how God used him all over the world. It is comforting to know my fathers legacy will live on, long after he met his heavenly Father. May God bless you, and your family.

“ Jim and I remember the start of Capitol Baptist church. Along with Bro Randy and Miss Vickie, there were Pastor and Mrs. Burt Sparkman, Linda Deavers (Miller), and several children all gathered for a time of fellowship and prayer in our apartment in Frankfort. Jonathan, Donald (our oldest), Christy Deavers became good friends. The Sparkman family would soon leave for another ministry, but the rest of us were blessed to be able to be at the start of a new ministry. Was Bondurant Jr. High the name of the school we first met in? Whatever the name, we have so many memories of that time. One thing that sticks out in my mind was how I laughed very loudly during one of Bro. Randy's sermons. He was giving an example of the many things a husband loved about his wife. One of them was, "Your teeth are like the stars; they come out at night"! To this day, it makes me smile. So many memories! We send our heartfelt love and prayers to all the family and friends. One day we will share them all again as we sit at the feet of our risen Lord, and praise Him for all the wonderful people He has brought into our lives! Jim and Ruth Lawson

“ There are many memories of my Uncle Randy. One of the sweetest memories was Uncle Randy and Aunt Vickie stopping by Lynchburg, VA where I attended Liberty University. They just surprised me, took me out and just loved on me. It was so thoughtful and kind.

The greatest memories of course was Thanksgiving and Christmas at Grandmother's house. We didn't get to see our Uncles, Aunts, and Cousins often because ministry is a 24 hour job and all our dads were pastors in small churches. I remember getting excited to see everyone and just wanting to hang out with the cousins. I remember Uncle Randy would say grace and Vicki (sweetest most patient lady I know) cleaning up and helping Grandmother in the kitchen. The cousins would let loose playing basketball, and hanging with each other outside. I wish we could go back to those days in ways. Our childhood went by quick & were all grown out spread all over USA. We. I cherished our time at Grandmother's house with Uncle Randy and his family.

The last memory was when Uncle Randy and Aunt Vickie came to our house in Northern KY for Thanksgiving. I really don't know why it was so special all I know was feeling so relaxed and great laughter. It was just our family with Uncle Randy's family the connection was real and so nice. I love Uncle Randy, I respect Uncle Randy and their family.

Life was never easy Uncle Randy! Neither did he want the easy life he wanted to follow Christ and nothing else. He didn't choose a profession for material success Christ was his foundation and he ran the church and home on Christ the solid rock .. One thing I am amazed about Uncle Randy was he loved reading. He was above the times! He took care and directed his children's futures. He knew technology and medical was the future and he taught his kids and leaned them into that direction so they would be successful with Christ help. He had all his children's futures in mind. Aunt Vicki was a large part of this too she home-schooled and prepared all 6

children. Uncle Randy had both knowledge from books and wisdom from Christ ! Uncle Randy was a testimony that Christ lives and Christ is our protector, or refuge, our Father who always has our back! My cousins were so blessed and honored to have Uncle Randy as their father. Their history is unusual and so inspiring. Not everybody has such testimonies and stories as the Vaught Family

“ On behalf of the board of directors of CHRISTIAN RADIO FOR RUSSIA, and the radio missionary staff at New Life Radio-Moscow, we would like to express our sympathies to the Vaught family during this time as Randy has passed from life, to eternal life. He has served his Lord faithfully and all of us are the beneficiaries of his prayerful, spirit led life that focused on complete reliance on our Savior and Lord. We will never know the true impact and scope of his legacy to the cause of Christ until that day when we join him in heaven. May this time be a time of celebration and joy in the Lord as Randy has received his ultimate reward. PEACE to his memory.

Brother Randy was my pastor for many years. I learned so much under his ministry. He and Vicky were there for me when i was very ill in early 1990's. They were there for me on a daily basis. They were truly children of God. He spent many hours counseling me and encouraging me. I always loved him, Vicky and all their children. He will be missed. May the Holy Spirit surround each member of His family and bring great peace. The family is in my prayers.
