“ *I have known Reed since we were in high school....over 40 years. I moved away for many years. When I returned to Frankfort and went to my high school reunion meet-up at the Old Capitol, Reed came up to me and we started talking like we had just seen each other the day before. We went to grab a beer and he insisted on buying mine. Reed was one of the most open, friendly, giving and generous people I have ever known. It has always been a privilege to count him as my friend. It would be selfish of me to say I will miss him because he will be greatly missed by everyone who ever met him.*

“ I had the honor of serving in the National Guard with Reed. He was a good man, a good friend and an outstanding soldier. He is gone far too early. He will be missed.

“ My thoughts and prayers are with the family. Reed was a good neighbor. We shared many conversations out in our yards throughout the years. I will miss hearing him say "hey neighbor" and he always teased me about going bare-foot in the summer and then he would yell across the yard and ask me if I had on shoes in below zero weather. He was a good man and will be greatly missed. We have peace in knowing that we will see him again someday. Rest in peace my friend! Donna
