“ *Rita was a light in this world. Not only to me, but to everyone she came into contact with. I remember her infectious smile and will always be grateful for the wonderful opportunities she provided me with as a kid growing up in the church and as a young adult entering the workforce.*  
*My condolences to her family and everyone who knew her.*

“ I am so very sorry to hear this news. Rita and I went to school together and she was one of the sweetest girls always. She was always the same no matter what. I moved away for several years, but when I came back and ran into her, she was just the same as she had always been. That beautiful smile and those dimples could light up a room. I know she will be missed much. Prayers for all of her family. Teresa Wise Brooks
