“ Wayne was the first person to greet me when I started working at the state. I worked with him for many years. He was a wonderful person. Always had a smile on his face and willing to help anyone. Very sorry to hear of his passing! My thoughts and prayers to his family and friends!

Danny and I are so very sorry to hear about Wayne. He was such a kind, loving and fun person to know and spend time with. Many good memories on the golf course for Danny. He was a loving person who took care of his family and cared about his friends. May God bless his family at this sad time for them and receive Wayne into heaven with open arms.

Hi Chickie, thinking of you guys, said to see another one of us gone. Seems like it's the only time we get together any more is to lay one of us to rest.
I'm around if you ever need anything

Wayne came to work for the Division of Materials for the state, where I met him. We worked together there for a while. I went to school with his brother Mike. Wayne was a kind person and would help anyone. I'm sorry to learn of his passing.
