“ *Fond memories of Ronji in Brownie Troop 799. I was in awe of her when she came to my house for the troop sleepover, putting needles in my fridge and eating as she should. I was blessed to see her again at the library after a lot of years and recognized her. We had a nice chat.*

“ This makes me sad. I didn't work directly with Ronji, but got to know her on the elevator, passing in the hall, and on the way to the bathroom. She always had a smile to share and made my day brighter. My mother was a Dearborn from Pendleton County and we wondered if we might be related. I know that you will miss her, and I pray that God will send you the comfort of His Spirit to give you peace.
