“ We've know Mr. Rudder all our lives. Such a kind and gently man! We always enjoyed seeing him at Hardees for breakfast and he was always glad to see you. Such a joy to visit with. Keeping us up on his adventures for the day, catching us up on what he had done in the past few days. We enjoyed taking about the past. We could relate to how it used to be. I don't think he ever saw a stranger. He will be greatly missed. Keeping you in our prayers.
