I'd like to thank all my extended family, friends and prayer partners for all your encouraging thoughts and prayers these past 2 and 1/2 years while our Mother battled an unbeatable form of cancer. She fought a good fight. She finished the race. Id like to say, we children have received so many gifts from her. We are so proud of our mother and the dignity she reflected throughout this journey. She showed remarkable faith in our savior, love for our family, church family, friends and what seemed and endless strength that never waivered. She told us all her savior would heal her here or in heaven. On Friday, June 10 at 8:00 pm I was priviledged along with our father, brothers and sisters, to watch her take her last breath on earth and enter her forever home In heaven. Mama...you will forever be in our hearts and mind...I find comfort in knowing when my time comes...you will be there guiding me. I love you mama...I will miss you everyday of the rest of my life.
